

Open the Stable Door to the Emotions of your Horse

Seminar with Larry Bensusan

Discover how your horse thinks and how your own emotions and actions will affect your horse.

Why this Seminar?

Perhaps you are like many horse owners and wonder why your horse behaves the way it does and what is it thinking? Why is it so hard for the horse to learn? Maybe you feel that you and your horse are always at conflict and that training is hard for both of you?

Opening the stable door to the emotions of your horse will be the breakthrough that will answer those questions and more. How the horse thinks and how your emotions affect the horse – the information given contains much evidence based research that will help you understand how you can improve your relationship with your horse.

Who Must Attend this Seminar?

Horse owners or riders who want to achieve a better bond with their horse. Anyone who wants to help their horse to gain more confidence in what it does and it is for people who just love horses!

You will learn

- How the horse sees us and what they see in their world
- How your emotions affect your horse
- What really happens to the horse when it is in a fight or flight mode.
- How constant fight or flight will affect your horse's health
- Why the horse may find certain lessons hard
- How to help the horse improve on its jumping and other skills.
- How to accelerate your own success in riding

This is a 2 hour seminar that is packed with information on how to change you and your horse's life by understanding its thinking.
